Thank you for investing in the Tumbl Trak Addie Beam. Train leaps, turns, handstands and much more.

After opening the boxes, please check the parts list to make sure all pieces have arrived in good condition. If you have any questions during this assembly process, please call customer service at 44 (0)2921 167 949.

Tumbl Trak
Train Smart

Open box carefully and check to make sure all parts have arrived. Flip the beam upside down and locate the two outside screw holes on each end of the beam. Place the feet on the beam, line up the screw holes with the tapered holes facing up.

(2A) Insert the screw through the star washer. **(2B)** Place the screws in the tapered holes connecting the feet to the beam.

Use the Allen Wrench and turn screws till the feet are tightly secured to the beam.

Recommended Accessories

Tumbl Trak recommends the use of matting to enhance safety. The following accessories can be purchased from Tumbl Trak's website at www.tumbltrak.co.uk or by calling 44 (0)2921 167 949.
